RESORT STYLE LIVING

Your own family sanctuary! Cleverly designed around the outdoor entertaining area and sparkling below ground pool, this large family home will appeal to those that value spending time with family and friends.

Enjoy looking out to the sparkling pool from either the formal living and dining area or the generous family meals, both with high ceilings.

The large modern kitchen with gas cooktop, electric wall oven and lots of soft close cupboards and drawers has plenty of bench space as well as a pantry and fridge recess big enough for the largest fridge/freezer.

To the rear of the home is the master bedroom which has direct access to the outdoor entertaining area and
