## Classy Executive Home - Option To Be Partly Furnished!

The glorious four-bedroom home offers the key to effortless living with an open plan living/dining area welcoming in natural light through enormous floor-to-ceiling windows. Feel connected with the outdoors in this beautiful home, brimming with both style and space.

Amongst the many highlights of this grand property is the additional theatre and study, as well as four double bedrooms all with built-in or walk-in robes. At the rear of the home is the alfresco of your dreams! Featuring an elegantly decked patio, the backyard is an entertainers delight. Low maintenance gardening and artificial lawn you will be spending more time enjoying the patio area than maintaining!
