3/40 Larwood Crescent High Wycombe, WA

Brand New Home Ready For You

High Wycombe ? it's a suburb in the spotlight, with the airport and the city on one side; the foothills of the Darling Range on the other. If that's not enough to feel good about, the number of local parks, schools, shops, a local tavern and plenty of public transport will convince you that this is a location not to be ignored.

Great Eastern Highway Bypass takes you straight into Perth in under 20 minutes ? or hop onto Roe Highway and head west for the fast trip to the coast. Take the bus or train into Midland, just minutes away to the north, and enjoy

all the commercial, retail and employment benefits of a major regional centre.
